

GOOCHLAND EDUCATION

Building Lives, Leaving Legacies.

Bluebird Vocational Scholarship Application

Deadline April 1, 2027

The Bluebird Vocational Scholarship is awarded to two Goochland County Public High School graduating seniors who are preparing for a career in the skilled trades. These \$2,500 awards are intended to recognize hardworking, motivated students who value hands-on learning, problem-solving, and the opportunity to build a strong future through technical skill. Whether your goal is to become an electrician, carpenter, welder, mechanic, chef, or pursue some other essential trade, this scholarship rewards your dedication and encourages you to take the next step toward your career. If you are planning to attend a community college or trade/vocational school to pursue such a career, we invite you to apply and share your passion for learning a trade that keeps our communities moving forward. Students must be accepted to a post-secondary institution — two-year community college, career/technical training, fine arts or performing arts school, or other career preparation institution or program.

Include in your application:

Cover sheet with the following information:

Email address

First and Last Name

Mailing address

Home phone number

Application Materials:

To complete your application, you will need the following materials:

- List the technical school or program you plan to attend
- Please identify your post-secondary education plans and career goals. These should include, but not limited to, your immediate and long-term career goals, as well as your reasons for selecting a particular career.
- Two letters of recommendation
 - One of your GHS teachers
 - Someone outside of school who has worked with you in some shared capacity

Please scan all application materials into one PDF document and email it to Kamara Webster, Program Director kwebster@goochlandedu.org
